HOW TO CROSS A
CONTINUOUS FLOW INTERSECTION

CONTINUOUS FLOW INTERSECTION
Connecting Communities

3500 S.

KEEP CLEAR

BANGERTER HWY.

KEEP CLEAR
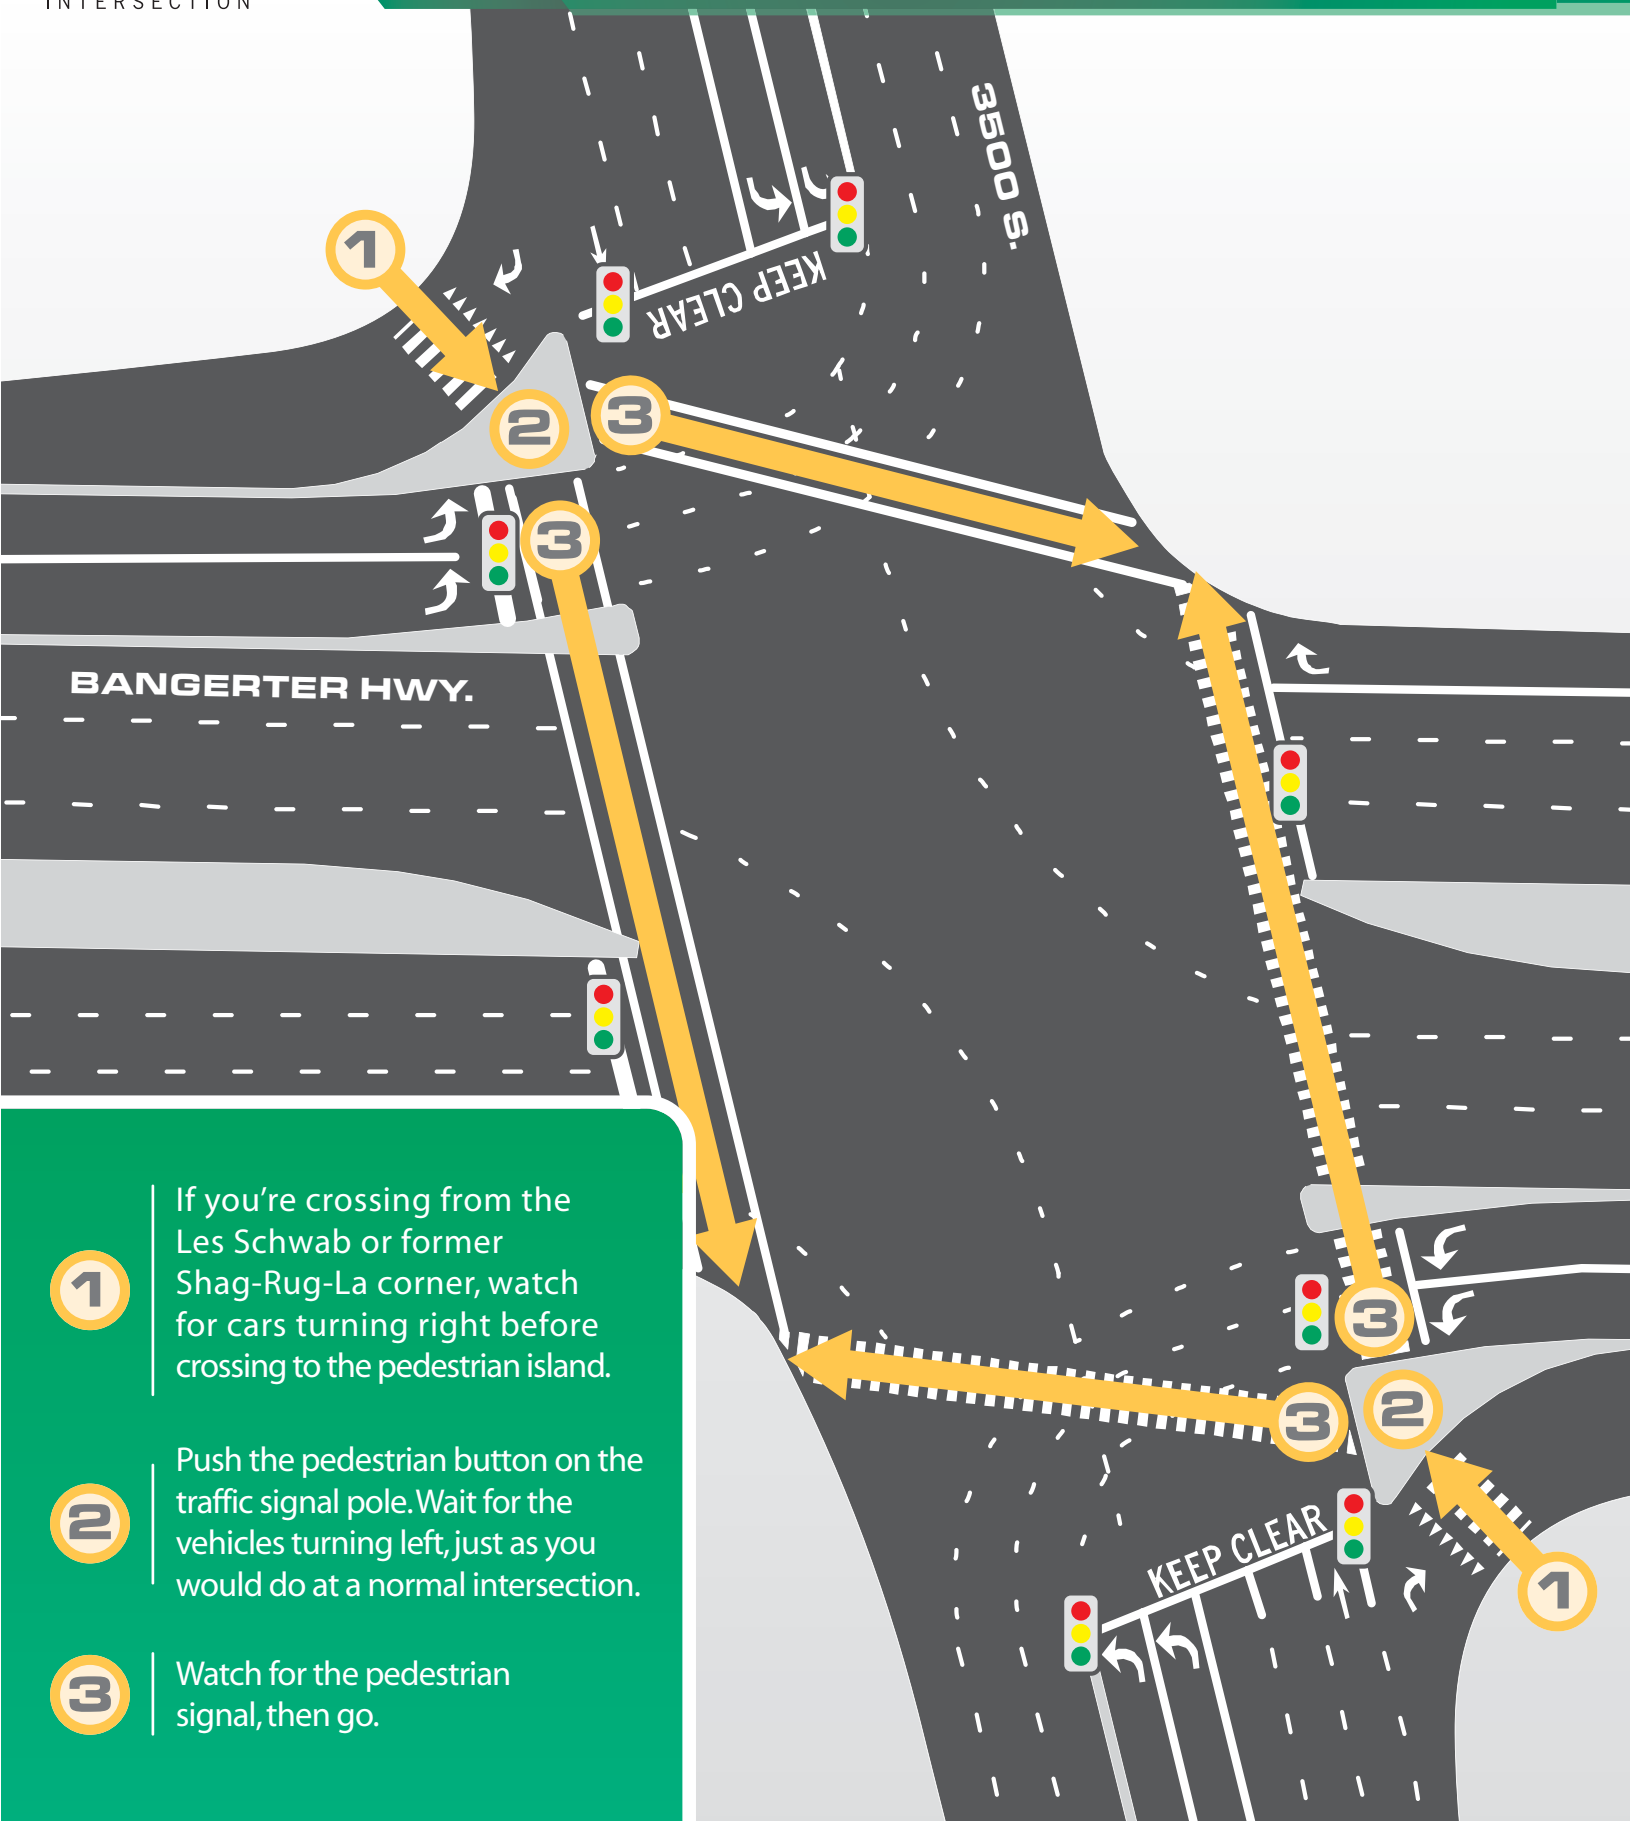

1 If you're crossing from the Les Schwab or former Shag-Rug-La corner, watch for cars turning right before crossing to the pedestrian island.

2 Push the pedestrian button on the traffic signal pole. Wait for the vehicles turning left, just as you would do at a normal intersection.

3 Watch for the pedestrian signal, then go.
